ELEGANT STYLE

Step out of the ordinary and compliment your home's aesthetic features with a LuxeVue™ door. The AP200LV is the perfect choice for a pristine, high-end, garage door.

Pick your COLOR

Start creating a beautiful, customized garage door design that fits your style by selecting from one of our many color options below. Deep, distinct embossing creates a sharp and detailed looking garage door.

Colors

White | Almond | Desert Tan | Sandstone | Bronze | Brown | Charcoal* | Black

Painted Woodtones

Walnut* | Auburn** | Mocha**

OptiFinish™

Raynor's OptiFinish™ paint process allows your Aspen™ door to be customized with more than 1,800 Sherwin-Williams® colors. Available on select panel options.

Black and charcoal colored steel doors come standard with a Cool Chemistry™ paint finish to protect from extreme heat. For environments where extreme heat and sunlight exposures are constant, black and charcoal colors are not recommended.
** Not available in recessed ranch smooth panel.*
*** Not available in recessed grooved panel.*

RAYNOR GARAGE DOORS

WEATHERLOCK™

Raynor's thermally efficient WeatherLock system is designed for the harshest climates. Our proprietary WeatherLock™ section joint has continuous thermal break and air seal between steel sections. This modified tongue-in-groove joint provides exceptional strength, while effectively locking out both air and water infiltration into the garage's interior.

AUTHORIZED DEALER NETWORK

When you select Raynor, you're not just getting a superior garage door - you're also getting professional garage door installation and service expertise. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.

TRUBALANCE™

Doors equipped with our patent pending TruBalance drum system are 87% easier to operate manually and provide you with a peace of mind knowing you can safely and easily manually operate your garage door in emergency situations. This counter balance system comes standard on doors up to 8' high with oversized windows in the top section.

NEUFOAM™

State of the art high-density NeuFoam™ polyurethane insulation delivers maximum structural integrity and door strength. Combine our state of the art insulation material with our proprietary WeatherLock™ section joint design and you get the industry's most energy efficient door.

SECURELOC™

Raynor's SecureLoc Anti-Break-In assurance plan combines a SecureLoc capable opener with the strength of a Raynor residential garage door that locks automatically when the door closes. Have a peace of mind knowing your garage is protected from intrusion with SecureLoc! For more information on Raynor's Anti-Break-In assurance plan visit www.Raynor.com/SecureLoc.

LIMITED LIFETIME WARRANTY

Dedicated to customer satisfaction, Raynor doors carry a "For as Long as You Own Your Home" limited section warranty against rust, six (6) year limited warranty on hardware, and a three (3) year limited warranty on springs to the original purchaser. We stand behind our workmanship and product and are dedicated to customer satisfaction.

Pick your OPENER

Sergeant II™ with WiFi | Corporal II™ with WiFi | Airman II™ | Pilot II™ with WiFi | Aviator II™ with WiFi | Ultra II™ with WiFi | Admiral II™ with WiFi | General II™ with WiFi | Prodigy II™ | Prodigy II™ with WiFi

Raynor's full line of residential openers offer a broad selection of performance, features and durability. All models offer the ultimate in safety and security features, are available in a variety of horsepower levels and drive systems, as well as wall mounted jackshaft operators and battery backup systems. MyQ™ technology enables you to securely monitor and control your garage door opener with your smart phone, tablet or computer.
