

# **CONSUMER ALERT!** **GARAGE DOOR REPAIR SCHEME**

## **UNETHICAL GARAGE DOOR DEALERS:**

- **USE DECEPTIVE YELLOW PAGE ADS** by advertising under several alias names using many different phone numbers, but listing *no address*.
- **WILL NOT QUOTE A TOTAL REPAIR PRICE OVER THE PHONE.** To get into your home, they quote a low hourly labor rate without telling you the total repair cost.
- **CHARGES EXORBITANT PRICES FOR NEW PARTS YOU DON'T NEED** with the promise of a lifetime warranty. That repair could be higher than the cost of a whole new garage door!

**Get a complete quote including parts and labor  
before anyone comes to your home!**
